## Plan Requirements:

The Information provided on the Plans should include:

- 1) A site Plan indicating in detail the proposed location (s) of the sign (s).
- 2) A representation to scale of the height, width, depth of the sign with all copy to be displayed on sign.
- 3) Site plans which show the distance from pole/monument signs to adjacent driveways and lot lines.
- 4) Detailed method of attachment.
- 5) An electrical load including the voltage and amperage.

Note: It is the responsibility of the applicant to provide all applicable information upon submittal of each sign permit. Failure to accurately provide the above information as it applies to this application may delay the processing and approval of the sign permit.
